

Where You Belong

Bend Golf Club: Where You Belong

Thanks for considering a membership at Bend Golf Club! We're grateful for the opportunity to show you why BGC offers the best balance of quality, community, and value in a private club. We have a variety of membership options to fit your interests and budget.

Our Chandler Egan-designed golf course is the centerpiece of the BGC experience. Since 1925, our 18-hole, 7,000-yard layout has offered the ideal blend of walkability and playability. It's the kind of course you want to play every day, and many of our members do just that.

No homes are located on the course's interior, enhancing the tranquil setting. A practice range right next to the clubhouse and nearby two short-game areas, along with "The Cone" a 5-hole par 3 loop with target greens. All make it as easy to work on your game as it is to jump out for a quick nine after work. Outside events are kept to a minimum.

The breadth and quality of our facilities add value and variety to your membership. Our spacious clubhouse includes casual and formal dining options, along with banquet or meeting areas. On the lower level is our pro shop, Mulligan's snack bar, locker rooms, and more.

Our athletic facility boasts an indoor saltwater pool, hot tub, two indoor tennis courts that can be converted for pickleball, a cardio room, exercise equipment, and a yoga/stretch area. A golf simulator helps keep your game sharp during the winter months.

BGC organizes a broad range of activities, classes, and groups for men, women, children, and families. We work hard to blend competitive opportunities and "just for fun" events along with top-shelf instruction from USPTA- and PGA-certified tennis and golf instructors. The goal is to make it as easy as possible to meet new people and form lasting friendships, inspiring our tagline, "Where You Belong."

We are member-owned and debt-free. There's no distant corporation calling the shots. We determine our own direction and treat each member as a partner in our journey. A strong membership means more ideas, more friends, and a more diverse community. We hope you'll ask a million questions and talk to current members as you weigh your private-club options. Once you do, we're confident you'll choose Bend Golf Club as your new home away from home.

THE COURSE

Since 1925, BGC has been one of the most sought-after playing opportunities in the state. We've hosted the Oregon Open, the Northwest Open, Oregon Amateur, PPGA Women's Amateur, PPGA Mid-Amateur, and many more. We also host the annual Mirror Pond Invitational, along with men's and women's invitational member-guests.

BGC's tree-lined layout at the southeast edge of town feels secluded and tranquil. The Chandler Egan design is very walkable but challenging, with a slope of 128 from the men's blue tees and 125 from the ladies' gold tees. Our greens are among the most pristine you'll find anywhere and always provide a smooth roll. Fairways and rough are immaculately kept by Scott Moffenbeier, voted 2018 Superintendent of the Year by the Oregon Golf Association.

Five sets of tees, including combination tees, provide different courses for all abilities. The back tees stretch the course to 7,058 yards while the green tees measure just 4,667 yards. In addition, two sets of special PGA Family Course markers help ease kids into the game with a course measuring either 2,200 or 3,800 yards.

PRACTICE AREAS

BGC is a range rat's dream. Right next to the clubhouse are two practice greens — one with mostly straight putts and another with representative contours. Just off the edge of the pool area is our practice range, with a large grass teeing ground and practice bunker. On either side of the hole #1 are two short-game areas for shots up to 50 yards (with bunkers) and the newly added "The Cone" a 5-hole par 3 loop with target greens with distances varying from 50 to 100 yards.

TEE TIMES AND AVAILABILITY

Tee times are booked 8-10 minutes apart, either through our online booking system or calling the shop up to one week in advance. We have very few outside events in order to keep the course available to members. Though the course can get busy, it's generally quite easy to get the time you want. The course opens as much as possible during the winter months, typically with temporary greens.

Our state-of-the-art ForeTees reservation system combines golf, tennis, dining, and billing into one powerful solution, including a convenient mobile app to keep you connected on the go.

INDOOR SIMULATOR

Our athletic center boasts an indoor golf simulator, with nearly two dozen virtual courses to keep your game sharp during the Bend winter.

PRO SHOP

Our full-service pro shop features dozens of top brands like Adidas, Footjoy, Titleist, Travis Mathew, True Linkswear & Callaway. Discounts and promotions run frequently. PGA professionals can help you with your game through private or group lessons or club fitting with the Foresight launch system. Demo days from major manufacturers are scheduled several times each year.

Our staff of PGA & LPGA professionals runs top-notch events throughout the season and provides quality instruction, including robust junior programs.

Bend is known as a vacation destination, but sometimes residents need to get away from it all, too. Joining BGC is like having a full-service resort, with all the amenities you'd expect to find on vacation.

DINING AND ENTERTAINMENT

BGC takes pride in its food. The Ponderosa Grill is a popular spot for drinks, lunch, and dinner, with local craft beers on tap and a full bar. Outside seating on the veranda offers stunning views of the Cascades and the 18th green. The adjacent Cascade Dining Room offers a more upscale, white-tablecloth setting with both classic dishes and creative chef's specials. Musical acts frequently light up the small stage in the dining room, with monthly wine tasting in the foyer. Downstairs is Mulligans, a perfect spot for a complimentary coffee or grab-and-go options at the turn.

BANQUET AND MEETING AREAS

We have everything to suit groups, from small meeting areas to larger, flexible spaces for banquets or luncheons, with generous discounts for members. We can even cater events offsite. BGC's tranquil setting also makes it a perfect spot for weddings or receptions.

LOCKER ROOMS

Half- and full-height lockers are available to members for a modest yearly fee. Both men's and women's locker rooms feature card tables, a television, showers, and a small library. The men's locker room also features a steam room.

TENNIS AND PICKLEBALL COURTS

Adjacent to the fitness area are two indoor courts with a full-service pro shop and USPTA professionals who coordinate and teach lessons, clinics, and competitions. A ball machine is available for rent. The courts can be easily converted for pickleball, with those players having exclusive access several times per week.

FITNESS

Our cardio area offers treadmills, elliptical machines, rowing machines, stair climbers, hand weights, and more with two TVs. The weight-training area has free weights and brand new equipment. Upstairs is a secluded area for yoga, core work, and stretching.

POOL

Our indoor, saltwater pool is as suited to lap swimming as it is to splashing around with the kids, and it's available to members year-round. Store your stuff in the pool locker rooms and swim, or soak away aches and pains in the jumbo hot tub. A variety of pool toys and floats are provided for your convenience. Swim lessons and classes like water aerobics are offered on a regular basis.
